## The glamour of Las Vegas, Reno, Laughlin "The entertainment capital of the world"

Las Vegas is like no other place on earth. Eighteen of the 20 largest hotels in the country are in Las Vegas and each features star-studded entertainment, exquisite dining, special events and world-class shopping. Visit Egypt, Rome, Venice, New York, Paris, Monte Carlo, and a variety of tropical paradises in one vacation. Las Vegas boasts two restaurants, which garnered the prestigious Mobil Five Star rating in 2000, ranking both among the world's top 17 dining spots.

Laughlin is truly fabulous. Set along the Colorado River, you can enjoy beach activities and golf, along with the gaming, entertainment and fabulous restaurants.

## "The biggest little city in the world"

Reno offers the same excitement as Las Vegas, but on a smaller scale. Just name your pleasure: recreation, fine-dining, entertainment, arts or history, there's no place like Reno. The beauty of Lake Tahoe attracts visitors to the area annually, but it's Tahoe's outdoor recreation, luxury accommodations, fine-dining and top entertainment that has made it one of the most popular vacation destinations in the world.

Don't forget to enjoy the great outdoors in Rural Nevada, where the adventure never ends.
