The golden state

Everything under the sun can be found in this "Land of Sun and Stars". LOS ANGELES, the "City of Angels" is where the action is. Both family fun of the many theme parks and beaches, or the glitz of HOLLYWOOD and BEVERLY HILLS-you'll be sure to find something to please both the adults and the kids.

The hills of SAN FRANCISCO are the home of cable cars, Fisherman's Wharf, and Golden Gate Bridge. There is so much to see and do whether it be cruising over to Alcatraz Island or experiencing the wine tasting tours available in the NAPA VALLEY, the Romance of San Francisco will entrance you.

SAN DIEGO is a fabulous city with a small-town ambiance. You can spend the day at the beach, participate in a number of water activities, visit the many great attractions, or even cross over into Tijuana for a day of bargain shopping and Mexican culture.

Why not rent a car and experience a scenic drive down the coastline?

Ivy Hotel

With a touch of a button, a butler is at your beck and call for the ultimate in pampering.
