

# New Orleans

The Paris of the south

New Orleans is full of history, tradition, superstition and romance. As the birthplace of jazz, New Orleans offers some of the best musical entertainment in the South. It is home to the famous Mardi Gras Festival which is a 'see it to believe it' experience; although, everyday in New Orleans seems like a festival. Nightclubs, jazz bars, great restaurants and shopping make Bourbon Street the heart of all the action. The 24 hour casino adds an exciting edge to the destination.
